## Understanding the EnglishScore

### At this CEFR level you:

- Can understand enough to follow extended speech on abstract and complex topics beyond your own field, though you may need to confirm occasional details, especially if the accent is unfamiliar.
- Can recognise a wide range of idiomatic expressions and colloquialisms, appreciating register shifts.
- Can follow extended speech even when it is not clearly structured and when relationships are only implied and not signalled explicitly.
- Can understand in detail lengthy, complex texts, whether or not they relate to your own area of speciality, provided you can reread difficult sections.
